

## REMARKS

This Amendment is in response to the Office Action dated August 18, 2005.

Claims 1-9 are pending in the present application. Claims 1-9 are allowed. Claims 5 and 8 are objected to. Applicant includes a Petition for Extension of Time to extend the deadline for filing a response by (1) month from October 19, 2005 to November 18, 2005.

### Detailed Action

#### Information Disclosure Statement

The Examiner states,

**It is considered unlikely that the two foreign patent documents listed have a publication date which are the same, and which is the same as the foreign priority date claimed.**

Applicant herewith files a Supplemental Information Disclosure Statement (IDS) correcting the error. The IDS filed on November 10, 2003 was in error. ROC Patent Number 127857 is the same as Taiwan Publication No. 313360. Accordingly, this Supplemental IDS properly indicates the foreign patent document.

### Claim Objections

The Examiner states,

**Claim 5 is objected to under 37 CFR 1.75 as being a substantial duplicate of claim 2. When two claims in an application are duplicates or else are so close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim.**

**Claim 8 is objected to under 37 CFR 1.75 as being substantial duplicate of claim 7. When two claims in an application are duplicates or else are so**

**close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim.**

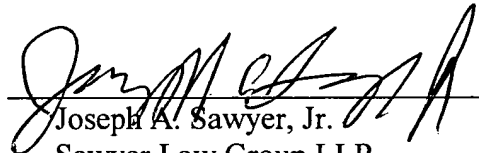

Applicant has canceled claims 5-9 without prejudice.

Accordingly, Applicant respectfully requests allowance and passage to issue of claims 1-4 as now presented.

In view of the foregoing, Applicant's attorney believes that this application is in condition for allowance. Should any unresolved issues remain, Examiner is invited to call Applicant's attorney at the telephone number indicated below.

Respectfully submitted,
